

Full Size Truck Figure 8 Races & Spectator Drags

2009 Rules

New for 2009 Seekonk Speedway will introduce some added fun for the full size Trucks for the Sunday thrill shows.

The popular and exciting figure 8 races will have a full size truck division and also will be able to compete in there own Truck drag races.

This will be open to 1970 and up full size trucks either 2 or 4 wheel drive units. No dual wheels, any type OEM cab or bed permitted (No flat beds). The basic rules are simple.

All components of the truck must remain to the manufacturers OEM specifications. Only changes that are listed are approved.

All glass except windshield must be removed. Maybe replaced with Lexan.

All Rugs, headliners, door panels or any other items that can burn must be removed except dash and seat. Interior needs to be clean with no glass or loose objects. Seat may be replaced with another or Aluminum racing seat permitted. OEM seat belts must be used or 4 - point minimum racing seat belt is highly recommended.

All glass and plastic on outside of truck needs to be removed.

Inner door bars are permitted. No bars on outside of truck Allowed.

Air bags must be removed if equipped.

Fuel tanks may stay in stock location if between frame rails or if tank is outside frame rails a small plastic boat tank or fuel cell maybe used placed in center of bed and covered with sheet metal.

Suspension can not be lifted or jacked up. Ride height must remain stock.

Tires sizes must remain to manufacturer's specifications as released when sold.

No race tires, recaps or bias ply tires.

No Anti Freeze. Water Only !!

Events will be at all Sunday Thrill shows in 2009
